

## REMARKS

In response to the Notice of Allowability that was recently received for this application, it was noticed that paragraph 1 in the body of the claim inadvertently referred to various dimensions for the "fuselage". This was an error that was first noticed by the undersigned on November 30<sup>th</sup>. The proper reference should have been to the "central storage cavity" having the recited dimensions.

One other minor correction was made to claim 1 wherein the language "at least about" was added to the describe the width of the central storage cavity. This amendment does not materially change the scope of claim 1.

It is respectfully requested that the foregoing amendments be entered. If there are any questions regarding this matter it is requested that the undersigned be contacted at the Examiner's earliest convenience to discuss same.

Respectfully submitted,
